From: Department of Health/Developmental Disabilities Division

Department/Division/Agency

Pursuant to § 103F-101(a)(4), HRS, and Chapter 3-141, HAR, the Department requests a procurement exemption to purchase the following:

ADMINISTRATION
STATE PROCUREMENT OFFICE
STATE OF HAWAII

Title and description of health and human service(s):

Behavioral Home Services

Provider Name: Gerald Rivera	Total Contract Funds: Estimated	Term of Contract:
Provider Address: 1860 Kam IV Road Honolulu, HI 96819	Contract Funds per Year (as applicable). \$13,500	From: To: Date of September 30, approval 2006

Explanation describing how procurement by competitive means is either not practicable or not advantageous to the State:

Refer to previous exemption submitted and approved, PEH No. 06-10.

Crisis Network Services contract is needed to continue funding this service because client is not eligible for Medicaid. Due to Department of Attorney General's review, expected target date of March 1, 2006, for start of Crisis Network Services contract has been delayed. Due to the complex nature of services under the Crisis Network Services contract, it is expected that the contract will be executed by September 30, 2006.

Exemption from procurement is necessary to assure continuation of residential supports for client discharged from Hawaii State Hospital.

STATE OF HAWAII
REQUEST FOR EXEMPTION FROM CHAPTER 103F, HRS

Details of the process or procedure to be followed in selecting the service provider to ensure maximum fair and open competition as practicable:

The Certification Section receives inquiries from prospective caregivers interested in becoming Adult Foster Homes (AFHs). As prospective applicants for AFHs attend a mandatory orientation, staff devote a portion of the session to "behavioral homes" and people with challenging behaviors. If applicants are interested and make a commitment to work with people with challenging behaviors, they are encouraged to submit their AFH application and a home visit is scheduled to evaluate the family setting and physical environment. When the home is certified as an AFH, the caregivers must attend 67 hours of training and demonstrate competency in subjects related to supporting people with challenging behaviors. After completion of core subjects, the Division case manager will visit the home to determine if there is a "match" between the caregiver and client. If the guardian approves, the individual will be transitioned into the home.
